## Pickens County Sheriff's Office Charge Two Pickens County Men for Burglary

The Pickens County Sheriff's Office has charged two men with breaking into the storage building at a residence on Poinsett Circle in Easley following information received from the watchful eye of a nearby resident as the incident occurred.

On Thursday, June 9, 2016, at approximately 11:00am, the Sheriff's Office was notified by a nearby resident that was observing two men break into his neighbor's storage building.

Area deputies arrived on scene within seven minutes and following a short foot pursuit both men were apprehended and placed under arrest for the burglary to the storage building and the theft of multiple items. All of the stolen property was later recovered from a wooded area near the scene. One of the two men was also charged with resisting arrest pursuant to a physical struggle with deputies. No injuries were sustained to the suspect or deputies.

Sheriff Rick Clark stated...

*"Once again, we see the results of the partnership that we currently enjoy with our communities. The credit in this case of recognizing suspicious activity and notifying law enforcement must go to the local resident that was looking out for his neighbor.*

*We have worked closely with the citizens in Pickens County so that they have been able to become stakeholders in taking back their neighborhoods from the thieves and the drug users that have supported their drug habits through stealing the hardworking man's property".*

Both men are currently being detained within the Pickens County Detention Center pending the decision on any bonds by a county magistrate. They have been identified and charged as follows:
