Pickens County Sheriff's Office Takes Man Wanted in Three Counties into Custody for Armed Robbery

The Pickens County Sheriff's Office has arrested a man this morning wanted in Pickens, Oconee and Greenville County for several outstanding warrants.

Ryan Adam Carr and Eliyah Kiana Rogers were both taken into custody at approximately 8:00am this morning at a residence on McCoy St in Pickens County. Neither subject offered any resistance during the arrest.

On February 17, 2018, a Pickens County resident was approached by the occupants of a white SUV as he walked down a road in the Dacusville Community. Two of the three occupants exited the vehicle at which time the victim was robbed of his personal belongings after one of the suspects threatened to shoot him with a handgun if he did not comply. The victim was not injured during the encounter but was forced to surrender almost \$900.00 of his personal property.

The Sheriff's Office learned of additional criminal activity that occurred in both Greenville and Oconee Counties with the suspects having similar descriptions.

Through the course of the investigation it was determined that the white colored SUV was stolen from Greenville County and stolen credit cards from inside the vehicle were used by the suspects at a business in Oconee County.

The identities of the suspects were confirmed through the independent investigations conducted by authorities in all three counties and two of the three suspects have now been arrested this morning and are currently detained in the Pickens County Detention Center.

The third subject is still at large and his identity has not yet been released pending additional investigation.
